

TOGETHER IN FAITH

Growing the Treasure Valley Orthodox Christian Community

Mission Possible

After much prayer, our group of Orthodox faithful started exploring the possibility of establishing a multi-ethnic Orthodox Mission in the Boise Treasure Valley area to bring together Orthodox followers who may not be currently attending a church or may not have been introduced to our rich Orthodox traditions. The hope is that this new church, under the guidance of the Orthodox Church of America (OCA) and with the blessings of the Romanian Orthodox Episcopate of America, will create a welcoming environment where individuals can deepen their faith. With this goal in mind, we are pleased to share that **Fr. Florin Iftode**, currently serving at his parish in Pomona, California, will be guiding us in starting this mission. He will be advising us, traveling to Boise periodically, and holding services in English on specific Saturdays at the Holy Nativity Church in Meridian.

We gathered for our very *first* meeting and Divine Liturgy on Saturday April 26th, 2025. Fr. Florin, who traveled with a talented choir leader, delivered a beautiful liturgy and a heartfelt sermon. Thank you to all who attended, for your prayers and your continued support!

The next service will be held on **Saturday June 21st, 2025 at 10am**. Confessions for those interested: **Friday June 20th, 2025 from 5-7pm** at Holy Nativity.

May this month bring you peace, purpose, and the presence of God in all you do. See you all in June!
